

Holiday Lane Closure Restrictions – Public Notice

To minimize traffic disruptions and support community activities during the holiday period, the Town of Queen Creek has issued the following restrictions on non-emergency lane closures:

Effective Dates: Lane closures will be prohibited from **Thanksgiving Day through New Year's Day** in observance of the holiday season.

Applies To:

- All lane closures on **high-volume arterial streets and routes serving major commercial centers or event venues** within Town of Queen Creek limits.
- **Designated roads with lane closure restrictions** are depicted on the map below. Rittenhouse Rd, Ellsworth Loop Rd, Ellsworth Rd, Ocotillo Rd, Maya Rd, Victoria Ln, Heritage Loop Rd, Old Ellsworth Rd, Aldecoa Dr, and Munoz St are included in these restrictions.

Exceptions:

- **Emergency repairs** necessary for public safety will be approved.
- Work zones that are fully off the roadway and do not impact travel lanes may continue with approval.
